CLASSIC

Rock 'n Rolle Classic is a delicious wine that is not to be sneezed at! Brought to you from a century-old Mediterranean terroir around the south of the French Mediterranean area, this delicious blend of juicy grapes is noteworthy for its beautiful, fresh acidity. The wine is smooth and open with a little "crispy" bitterness of the Rolle grape and featuring aromas of ripe peaches, wildflowers, and just a drop of honey.

BABY

Rock 'n Rolle Baby is coquettish and entrancing. Modest with the standard charisma of Southern French rosé, this delicious Baby rosé wine is memorable for its aroma of orange peels and subtle notes of ripe peach and candied red grapefruits. The color is typical "Saumon gris" with a light blush on the cheeks.

REBEL

The perky little brother in the Rock 'n Rolle family, Rock 'n Rolle Rebel is a bouncy character, a rebellious red wine made from the extremely juicy Grenache, Syrah, and Mourvèdre grapes that are raised with care around the French Mediterranean. Insistent upon itself but with enough sense to be serious, this wine features an aroma of ripe cherries, red berries, and subtle hints of coffee and cocoa.

STAR

The shapely juice for the Rock 'n Rolle Star is made from carefully selected Rolle (Vermentino) grapes derived from old vineyards at a Mediterranean terroir. Rich vanilla aromas are elicited through the aging process following fermentation. Rock 'n Rolle Star is refreshing in its acidity with characteristic subtle notes of red grapefruit, ensuring a full juicy finish made to last.
